

ARAKOOLA ANDY

TOKENS TRINKETTE / NABINABAH EASY GUN

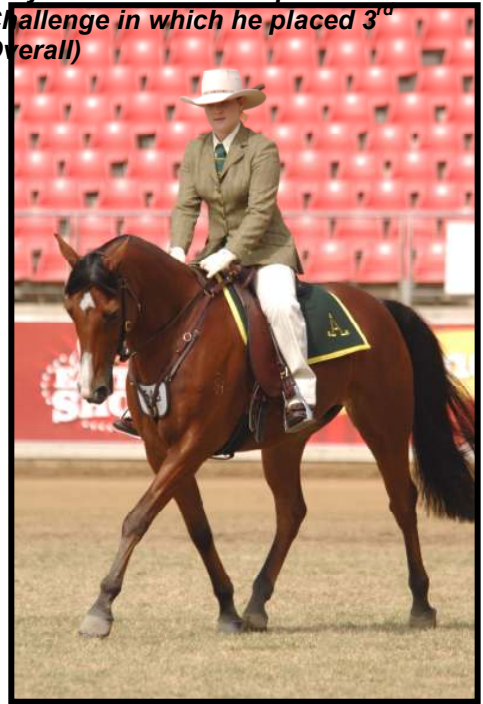

Andy is out of our very special mare TOKENS TRINKETTE (Plashette Token/Candied Honey) who was work horse, child minder and best friend of our family for many years. Andy has the temperament of his mother – mischievous, intelligent, hard working, calm and alert – that combines with the athleticism and versatility, so typical of his Nabinabah Easy Gun bloodlines, making him the ultimate do anything horse. Andy has been a wonderful friend and competition horse for our family, competing in everything from pony club, dressage, hacking to campdraft, ASH classes and demonstrations like the Australian Idol Escort.
