

ARAKOOLA JAZZMAN

**NABINABAH EASY GUN/ ARAKOOLA
MELODY**

159592

Bay/Brown – 15.2hh – DOB: 05/10/01

Jazzman was bred by the Hodges family, Arakoola Stock Horses, Woodville, NSW. From his limited time under saddle he has proven to be extremely athletic, intelligent, calm, trainable and versatile horse. Gaining success from limited outings in the show ring in 2007 after being broken in by Erin Hodges in the summer of 2005/06. He has mainly been used for stock work around the property. We only stand him to inside mares and are finding his progeny to be very trainable and easy going, both under saddle and on the ground. His dam Arakoola Melody is an exceptionally beautiful mare who was retired to stud at an early age and has bred some lovely horses for us. His granddam Tokens Trinkette was known for her wonderful temperament and cow-sense, she was used as the Hodges family farm horse for 20 years. Three of her best known progeny are Arakoola Andy (Won ASHLA at Sydney Show 2006 & 2007), Arakoola Talisman (Champion Young Rider Dressage) and Arakoola Medallion (Supreme Hack ASH Nationals 2006). His sire Nabinabah Easy Gun (Nabinabah Gunner/Nabinabah Easy Going) needs no introduction, his progeny are known all over the world as top class polo, polocrosse and campdraft horses. Sought after for their extreme athleticism and cool temperaments, making them the ultimate in versatile competition horses. We find Arakoola Jazzman to be no exception.
