

BAREGA PROMISE

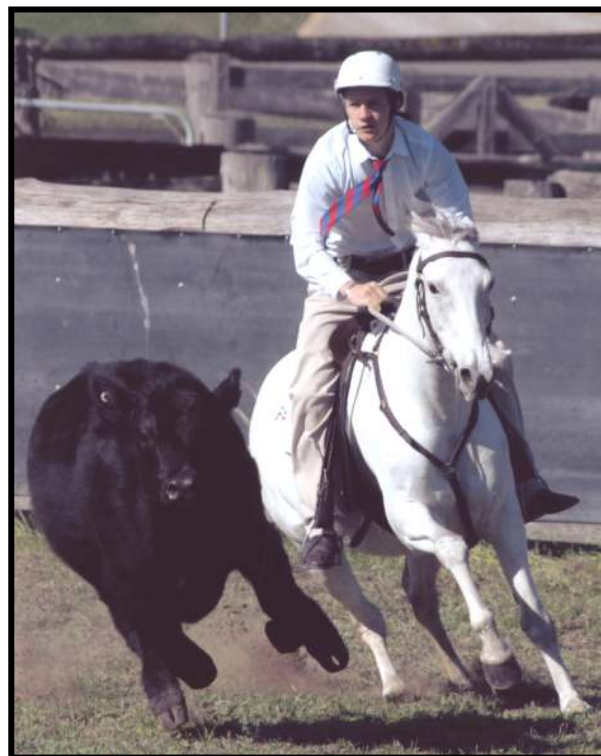

**MARSHDALE BLISS /
KIRREWAY
PARTYTIME**

Promise is personality plus, as those who know her can attest. Ian successfully competed her for about 3 years, including 2nd in Pair of Riders (PC) at Sydney Royal Show as a 3yo, shortly after we purchased her. This dynamic duo excelled in all disciplines, due mainly to Promise's amazing temperament, great conformation, stunning paces (her sire was a gorgeous Riding Pony) and awesome athleticism (she holds many records for ASH time trail and sporting fastest times). A granddaughter of the great Abray, she carries Radium blood (double cross) demonstrated as she was a fierce and tough competitor with the sweetest nature, competing with great success at local, state and national level in all disciplines. Promise and Ian played a season of PoloX for Maitland and she excelled winning many pony prizes despite being much smaller (14.2hh) than most of the other horses. Sadly Promise injured a tendon and is unable to be ridden any more, she has been retired to stud in anticipation of next years foal by Arakoola Jazzman.
