

## MURPHYS VENUS

**WAVERLEY CORVETTE/  
NABINABAH GUNNER**

This exceptional type of mare carries a double cross of the legendary Nabinabah The Gun and her bloodlines include greats like Panzer, The Lizard, Nabinabah and Bobbie Bruce. A big upstanding mare, she is kind, gentle, extremely athletic and game, traits we have come to expect of these horses. A pleasure to ride and handle, she will muster a paddock after 2 months off without a hitch or jump into an irrigation drain after a rogue calf, like the great names in her pedigree would have once done. We have great expectations of her as she begins her career as a broodmare with us.
